Our Story

The First Calvary Academy was created out of necessity and designed to provide opportunity. When COVID-19 shut schools down, First Calvary Academy formed a safe place for student growth and emotional support. First Calvary Academy gives students that support and a safe environment.

First Calvary Academy is located on Dixwell Avenue in the Newhallville section of New Haven. Newhallville is a low-income neighborhood in need of your support.

All proceeds from the golf tournament will go to helping these children thrive in a safe environment.
